

**Town of Mineral**  
**Mineral Beautification Festival**  
2010 Vendor Application

**Our purpose:** We organized the Festival to bring attention to and show pride for the Town of Mineral and its surrounding areas. Through education and advocacy, we hope to encourage stewardship of the Town and community. By supporting local growers and craftspeople, we're creating a new income opportunity for area growers and craftspeople and offering consumers top-quality, locally grown plants, products and local craft work at a convenient location.

**Place, date and times** The location of the Festival is the field at 81 Louisa Avenue across from Luck Field in Mineral, Virginia. The Festival is scheduled, rain or shine, for April 17th, 2010, from 9:00 AM to 3:00 PM.

**Fees, guidelines:** While there is *no fee* for qualified vendors to participate in the Festival, we have set up several guidelines so that vendors know what's allowed and expected.

- Vendors must be set up by 9:00 AM to accommodate customers, and must remain set up until 3:00 PM. A representative will be at the field at 7:00 AM to direct vendors.
- Vendors will be responsible for bringing their own canopy, chairs, generator, etc. Vendors will also be responsible for set up and clean up of their vendor area. It is of utmost importance that we leave the field in the same shape that we find it.
- Products that are suitable to sell at the festival include potted and cut flowers and herbs, bedding plants, seeds, shrubs, trees, garden ornaments, outdoor furniture, handmade soaps and body care products, and other gardening-related crafts.
- We welcome educators that may further our goal of stewardship by teaching recycling habits, composting methods, rain collection, organic gardening practices, alternative fuel options, solar/wind power and the like.
